

# RAMBLER

Vol 5 No 9 OTTAWA VALLEY MOBILE RADIO CLUB, INCORPORATED, Ottawa, Ont. Sept 62

## POT HOLE NET

Official Net of the Ottawa Valley Mobile Radio Club, Incorporated which meets every Sat & Sun morning at 10 AM local time on 3760 kcs. The 6 meter version of the net meets every Sunday morning at 10 AM local time on 50.4 mc.

## MONITORING FACILITY

VE3CGO monitors 3760 kc daily from approx 8 AM to 6PM to assist local mobiles as well as those passing through Ottawa.

## WOM CERTIFICATE ( Worked Ottawa Mobile)

Obtain one by working five members of the club while they are mobile. Five QSLs are required from the mobiles. The station submitting the 5 mobile cards does not have to be mobile to be eligible. Endorsement stickers are available for each additional 5 QSOs.

## NOTICE OF MONTHLY MEETING -THURSDAY 13th September 62

This meeting will be different ! It will be held outdoors and will be a combined meeting come weiner roastsome worn boil ! To top it all off the little princess is invited --you know -the "War department". In my case its the "Baracuda". To those who are fortunate to be unwed, bring along a reasonable facsimile--you know, a YL. Oh yes another simply splendid point is that it is all free --- I say again -- like gratis and for nothing ! Have the executive gone crazy ? Flipped their whips ? You may well ask such a question but answers I am not giving ! This caper is for adults only --like leave the harmonics at home locked in the basement as per usual. In addition to weiners and buns, corn on the cob, coffee will be available ( really feel sorry for the tea and crumpet set) If you wish a beverage a little stronger you will have to bring your own --the editor will help you carry it from your car, of course he will have to be carried out to the car after the last ember has expired---ember not member. By now you may be wondering where this is to be held --right? Ian Mac Intyre has volunteered his back forty --good ole 3DMT ! How to get to good ole Ian Mac Intyre's place ? You proceed down highway 31 which is an extension of Bank Street --turn right at the SHELL Station at the corner of Albion Road--proceed down Albion Road for three streets and make a right turn at the third which should be Ridgedale. Look for a tri-band quad holding up a house on your left at 3 Ridgedale and Bob's your uncle, or actually you cant miss it ! Time of arrival should be the regular time --8.15 PM . Here I can detect an anxious question (I'm using a NUVISTOR front end) so what happens if the weather becomes inclement ( such an education!) We could scream or do an anti rain dance, but the Executive by virtue of fiendish cunning have devised an extremely original alternative . If the weather is ghastly and raining--a regular meeting will be held at NRC Sarsar Street Room 3039. For those who require more explicit instructions to get to Ian's place, make like youre going to the Aladin Drive In Theatre but turn off at Ridgedale. Bring a folding chair for yourself and the XYL or YL, if you are well upholstered you may sit on the ground but the management cannot be responsible for damp bottoms. Dress is optional, some may wish to come in formal attire--but I would suggest snuggies, slacks and a coat of some sort.

IN SUMMARY, IF WX IS FINE

- (a) Bring the XYL or YL
- (b) Bring two folding chairs, three if you're bringing both the XYL and YL
- (c) Dress appropriately

AT THE LAST MEETING

We were honoured by a delegation from MECC (Montreal Mobile Club) and were pseed to welcome aboard the following VE2s AFM, BLR, BFB, AXR, BDP, BHD. Nice to have you visit us fellas! Also had two other visitors from the Ottawa area, 3DRX and 3CBK, nice to see you!
