## AT THE LAST MEETING

Those who were unable to attend missed a real treat. It was a combined meeting weiner roast, corn boil etc., for the members and their XYLs and YLs and was held in the lower 40 of the 3DMT ranch. It was certainly a very pleasant evening, one of the nicest events in a long time. Had a turn out total of 38. Everyone was eloquent in their praise of the the food. Do I hear a few that were unable to attend saying "Yah yah I'll bet the food wasnt really very good, it was just free" This was not the case however and jealousy will get you nowhere! Our thanks to all those making the event possible and especially to 3DMT Ian and his XYL for the use of their facilities. Ian also wants to thanks those who left bottles behind, at 25¢ a dozen he did OK. Also many thanks to the "Club Witch-doctor" whose prayers and incantations must have been a solid copy Q5 where it counts. Thanks Doc the wx was fb until abt 1 AM', at which time the opposition fired up on the frequency in the form of thunder, lightning and the pitter patter bit.

DONATION TO ARRL BUILDING FUND: Collection to be made at the next meeting. There will also be a contribution from Club Funds.

PUBLICITY CHAIRMAN: This position was left vacant by Ken Cogan VE3DXO who moved to Montreal. Doug Burrill 3CDC graciously agreed to take over this office for the remainder of the year.

As per usual the two clubs will share the 10% profit from the proceeds to swell their coffers. So start tagging your pieces of equipment, magazines etc and bring em along. If you have a minimum acceptable price be sure to mark this on the tag along with your name and call.

SOCIAL EVENING (October 19th)

Its like Happy Time again---This is the "Enjoy Yourself It's Later Than You Think" school of that time. The stimulating air of fall creates a strong desire in man to exercise -- so give the old elbow a few experimental flexes and get ready for another of those gala evenings! In keeping with the current austerity program, the price is right--like only \$1.00 per head. Two headed fone men get in for the price of one. So for two buckniks you and the bride can get in on a gasser. This discount price includes food (Ugh) at midnight, prizes and the key to social acceptance. If you are a social climber---this is your chance to receive recognition! There will be the usual contemporary and classical dancing for those with an artistic flair. For the drunks --booze like always! We are catering to every taste --the floor of the birdcage type the morning after we are not responsible for. Let the War Department know in plenty of time so that suitable arrangements can be made for sitters. Hey and that ain't all--notice it's just after the Beaver has a BM or to those not working for the Govt --Pay Day! The dress for men--tie and jacket since this is a military mess. The place the Wallis House in the Officer's Mess located at the corner of Charlotte and Rideau Streets. The time is 8.30 PM Friday, October 19th. See you there! You're a good group! By the way club members are entitled to bring guests other than the XYL or YL and for the benefit of those coming for the first time--payment is made at the door.
