**CONSTITUTION: At Last !**  
The revised copy of the constitution is enclosed. READ IT --AND KEEP IT IN A SAFE AND HANDY PLACE IN THE SHACK --if you have a filing system put it in. PSE DON'T LOOSE IT !

### ELECTION

Here it is election time again ! The noninating committee consisting of Gerry King 3BST chairman, Glenn Pack 3CGP, Ed Morgan 3GX have come up with the following members willing to serve in the capacities indicated:

President : No name as of press time  
V/Pres: Bill McLeod 3DQM  
Secy/treas: Harry Hayes 3BEB  
Technical Adviser: Bill Rolfe 3BJO  
Publicity Chairman: Doug Burrill 3CDC  
Activities Chairman: Mitch Powell 3BCJ

These stalwart gentlemen have indicated a willingness to serve on the 1963 executive, but this does not mean that nominations cannot be made from the floor during the course of the election. So select your own candidates for the various offices bearing in mind that the president, vice-president and technical adviser must be full members i.e have mobile equipment installed and operating in their car. All others require that the member be a licenced amateur. Of course all nominees must be members in good standing. Please contact the people of your choice before the election to ascertain if they are willing to serve. Lets have a nomination from the floor for every office so that we will have an actual election. Think about it now---don't leave it until the night of the election. Like exercise your democratic rights. This is your club --- lets have a large turnout. To help in this latter direction see page 2 for our friendly "Incentive Plan"

FREE PRIZES---LIKE GRATIS

In Keeping with the tradition of former years, ELECTION NIGHT is also free door prize night. Have your 62 membership<sup>card</sup> with you since it will be used to select the winners. If you have lost it--shame on you--but if you are paid up for 62 a slip of paper with your call on it can be verified by the secretary if drawn. The draw is for members only, you know to reward em for their faithful participation for 62, and for their presence on this important night. I understand that there are several prizes this year, but since this is being written prior to the executive meeting, I don't know what they are. As usual they will be fb and valuable.

RAMBLER

The RAMBLER is being written earlier than usual this month since our reliable and faithful printer John Guttenburg alias Gord Grant will be QRL at this time. Your editor would like to take this opportunity to thank Gord for his prompt and reliable service for 62.

MESSAGE FROM THE EXECUTIVE

The retiring executive wish to express their thanks to all members of the Club for their support in 1962 and wish you and yours a very Merry Christmas and a happy and prosperous New Year.

MESSAGE FROM THE EDITOR 3GX

I wish to thank those of you who have offered encouragement and appreciation for my humble efforts. To you and yours--Season's Greetings !

AT THE LAST MEETING

Art Childerhose 3CGD gave a very interesting talk on the work being carried out at the N.E Lab. Mitch Powell 3BCJ showed his "40 meter Suitcase Portable" designed for quick get-aways--ideally suited for apartment dwellers, confidence men, and chaps that are afraid of the "other womans" hubby. That's hubby not hobby. Thanks very much fellas for making an interesting evening.
