The new president thanked the retiring Executive for the very excellent job they did in 1963. After the election, the prizes, very appropriately selected by 3CGP and consisting of 7 mobile and SSB handbooks as well as mobile logs were drawn for in the traditional manner by membership cards. A total of 12 prizes in all purchased from Club funds.

REPORT ON THE NOTICE OF MOTION

The notice of motion printed in the December issue of the Rambler proposed by Jack VE3CEB and having reference to an amendment to the membership by-laws was discussed with passion, pathos and heartburn. The amendment was voted upon by the membership in a secret ballot and defeated.

REPORT ON THE CHILDREN'S CHRISTMAS PARTY

This event was held at the Hilson Ave School 7 Dec. The turnout was tremendous the highest ever. Over 40 children accompanied by their proud parents. Geez even I could see that the club members have other hobbies! Santa arrived and had a gift for each monster. Sandwiches, icecream, cookies and milk were served to the kiddies and to the adults. There were games, the noise-level was 40 over 9 and a wonderful time was had by all. Our thanks to the ladies who brought sandwiches and cookies. Special thanks to Jack 3CEB who selected and purchased the gifts and organized the whole show. He and his XYL even did all the wrapping of the gifts, in itself a formidable job! Three doffs of our mobile whips to you Jack for a very excellent and well appreciated party!

COMING EVENTS

Our new Activities Chairman 3CEB has activities and events scheduled for every month of the coming year! The details are not firm as yet, but there is another adult skating party coming up, the first this winter. So like again ---how are you fixed for blades? Is your blue cross paid up? Have you checked recently if the trap door on the long johns is functioning properly and are otherwise in "Go" condition? Also coming up in the very near future a Social Evening, which as you all know is a "stimulating" event teaming with culture and gaiety. To those few members that have never been, make 64 your year to be launched socially. The baracuda will be delighted and will smile upon you many times thereafter. Her tolerance of ham radio will reach unprecedented heights, your contemplated divorce will be unnecessary and the money saved may then be spent on ham gear!

DUES ARE DUE

Our coffers are low. The new membership list will be made up at the end of Feb. So please pay at this coming meeting or the Feb meeting. If you cant attend either please send a cheque to our new Secretary Art 3CGD! Dues are \$3.50 for all classes of membership with the exception of DX Class which is \$1.00. So let us swamp the secretary--dont wait til spring --do it now!
