NOTICE OF MONTHLY MEETING

-PLACE-

NATIONAL RESEARCH COUNCIL
SUSSEX DR.
ROOM 3039

-TIME-

'8 PM, THURSDAY
9 DECEMBER 1971

*****ANNUAL GENERAL ELECTION*****

FREE PRIZES

Its time to elect a new executive for the '72 term. The nominating committee have selected a potential slate of officers who have indicated their willingness to run. Nominations will also be welcomed from the floor, however, please check with your proposed candidate before the meeting to ensure that he is willing to let his name stand. The club needs your support. If, for one reason or another, you cannot spare the time to serve on the executive, please make an all out effort to attend the meeting and show your support for those nominated. A prize draw will be held and you must have your '71 membership card to be eligible for the prizes. See you all on Thursday night.

CONDENSED MINUTES OF THE LAST MEETING: Last months meeting was a great success and consisted of a tour of the communications display section of the Science and Technology Museum. One of the interesting points of the evening which came to light was the number of Canadian scientists and inventors who made very significant contributions to the state of the art during early developmental stages of landline and wireless communications. Our special thanks to Mr. E. DeCoste, communications curator, through whom the tour was arranged and was our ~~par~~ personal guide for the evening. Following the tour a brief business meeting was held, the main item on the agenda being the proposed membership fee increase which was passed unanimously. The new fees are as follows: FULL MEMBERSHIP \$5.00 FAMILY MEMBERSHIP \$6.00 DX MEMBERSHIP \$2.00. Final plans for the Childrens Christmas Party were announced and the members enjoyed coffee and cookies.

IF YOU WON'T RUN -- AT LEAST VOTE -- SEE YOU ON THE 9th

NOMINATING COMMITTEE PROPOSED SLATE: The nominating committee, chaired by Ted Duncan, VE3GGQ, present the following slate of candidates for the 1972 executive, all of whom have indicated their willingness to run, and, all or any of whom, if elected, I am sure will do a first class job serving the club

President	Ron Belleville	VE3AUM
Vice-President	Ron Hutchinson	VE2ZD
Secretary	Lloyd Carr	VE3FHC
Treasurer	Arlyn Ewert	VE3AOE
Technical Advisor	Art Childerhose	VE3CGD

RAMBLINGS --- Yours truly has been having trouble with line noise for the past couple of weeks and as a result I haven't been very active. D.O.C. and Hydro Quebec are working on the problem now --- Glad to hear Ed, VE3CJD, back on. Maybe you should wire up a treadmill to Ed and take it along on a few of these jaunts they send you on --- Don't forget your 1970 membership cards for the prize draws at the next meeting --- Dan, VE3EMO and Ron VE3AUM, seem to have an 80 meter DX contest on late at night these days now that MF long haul propagation is good. Either one of you get WAVE 80 yet? --- Still waiting to hear Marcel, VE3FNG, and his new HW 101. You're not burning enough midnight oil there Marcel - thought for sure you'd have it on in two or three nights --- That about wraps it up for this month except to wish you all a very Happy Christmas and safe driving over the holidays ---
