Demonstration of 6 digit all electronic clock purchased as a possible Club Project. Ian VE3FKC will take orders from any members wishing to buy a kit.

COFFEE COOKIES & EYEBALL QSO

REPORT ON THE LAST MEETING

Two ARRL films on field day were screened. Unfortunately a super 8 sound projector was not available so we had to view both of them in silence. Art Stark, VE3ZS, Chairman of the CARF Regulations Committee and CARF/DOC Liaison officer gave a talk on the World Administrative Radio Conference 1979. He explained the implications with respect to Canadian Amateur Radio and that the CARF Committee are working very hard preparing the Canadian submission. Many thanks Art for a most timely and interesting talk.

CALL LETTER LICENCE PLATES FOR ONTARIO---AT LONG LAST!

You may recall that our Club was very active in the battle to obtain call letter licence plates under the chairmanship of Jack VE3YC. We almost had them on the ropes when RSO requested the Club to turn over all the data to them so that they could continue the fight. This was prior to 1967 and unfortunately RSO did a very poor job of carrying on the battle and dropped the ball much to our chagrin. In 1975 renewed efforts by individual Radio Amateurs and RSO resulted in Ontario at last obtaining the privilege. Ontario had the dubious distinction of being the last province in Canada to grant the plates. All U.S. States have had them for some time. The following was received on 75 from Lorne VE3SZ:

The Ministry of Transport and Communication announced today April 1st 1976 the process to follow to obtain call sign licence plates for passenger vehicles, that is, those vehicles now carrying plates with 3 letter three number plates. All that is required is a letter of application accompanied by a cheque for \$25.00 payable to Treasurer of Ontario. Application should show full name of applicant, address and VE3 call sign. They should be addressed to The Ministry of Transportation and Communication, Queens Park, Toronto Ontario, Attention Miss E. Graham. Instructions on what to do on receipt of plates will be sent with the plates. Any queries should be directed to Miss Graham. Note:Lorne suggested that it might be a good idea to indicate your present vehicle licence on your application.

LOCAL TEN METER SSB NET

28.6 MHZ SSB every Tuesday at 8.30 PM. Net members are increasing in numbers. Everyone welcome to call in.

SPRING AUCTION 24 APRIL 1976 EMO HQ 495 Richmond Rd

Registration 9 AM to 12 Noon. Auction itself to commence at 1230. 15 registered items maximum per person. Once item has been registered it cannot be sold privately during the auction. If you wish to donate items to the club they would be very welcome, no need to register them, just put them up on the stage. Heinz VE3GOS is the Auction Chairman and would be pleased to hear from you if you would like to assist at the auction as a handler etc.

MORE FIELD DAY NEWS

This year there will be a picnic for the members children on the Field Day Saturday and a questionnaire regarding attendance etc. will be included in the next issue of the Rambler.

CLUB MEMBERSHIP LIST

The enclosed membership list reflects members paid to date. Please keep it handy for ready reference. If you change your address or telephone nr pse advise VE3GX .

NEW LOCAL REPEATER ON THE AIR

VE2KPG located at Kingsmere PQ went into operation 29 March 76 with an input frequency of 147.36 and an output frequency of 147.96 . It is owned by the Communications Research Center Amateur Radio Club. The auto patch facility is not in operation as yet. It is anticipated that it will be installed in the next 3 to 6 weeks. This makes the fourth repeater in the Ottawa area. Crystals for the Club rig have been purchased and installed .

MILES FOR MILLIONS WALK

We have again been asked by the St Johns Ambulance Brigade to provide communications from 13 first aid posts as well as for Mr. Bill Hlatky who is in charge of the Brigade operations. If you would like to help by doing a shift at a fixed or mobile point contact Trev VE3BMC. You don't have to have 2 meter equipment to participate. Operators are also needed.

WELCOME ABOARD

To the following new members: Al VE3ACZ and Howie Mellean (not licenced as yet) Hope you will enjoy your participation in the Club.

SUGGESTIONS WELCOMED

Art VE3ZS or Bud VE3UD would be interested in any ideas you might have with respect to Amateur Radio frequency assignments for WARC 79. They need your input in order to establish what Canadian Radio Amateurs want. Don't hesitate to contact them.

RAMBLINGS

Congrats to Ron VE3FMW who recently passed his Advanced --nice to hear you on the Pot Hole Net as well as the PLN Ron -...- Gordon VE3HTJ has completed his new Heathkit keyer kit and has it in operation now -...- Doreen VE3CGO had a very nice visit out west -...- Serge ex VE3GEA and Gertrude are now settled in Calgary his new address is 2016 Palermo WAY SW, Unit No.2, Calgary Alberta, T2V 3P1 Do hope that you will get on the air soon Serge -...- Sydney VE3GVI is making noises about going HF mobile for the first time ditto for Ron VE3HDO .-.-.
